

Mints Vape Co Salts: 30mL

Available in: 30mg (3%), and 50mg (5%)

Chocomint: Our Chocomint vape juice is just like the real thing, and we are positive you won't be able to walk away from this after one puff.

Peppermint: The extreme chill of a deliciously sweet candy cane or Peppermint hard candy makes Peppermint one of the most popular selling vape juices we have ever made available.

Spearmint: Breath mints have met their match. If you like the taste of Spearmint, then you will love our Spearmint flavored vape juice.

Wintergreen: If you love the taste of Wintergreen, then we think you will agree that this is the absolute best Wintergreen e juice on the market.
