****Warning: Not For Sub-Ohm Use****

Iced Pink Punch Lemonade (Pink 0°): is a superb nicotine salt creation pairing the ever-popular flavor of vibrant pink lemonade with an icy cool touch to round out this tasty nicotine salt flavor.

Honeydew Melon Chew (Green No 1): is an eclectic nicotine salts blend of sweet mellow honeydew melon, carefully balanced and reduced down to a vape that will leave the taste buds rejoicing for more.

Pink Lemonade (Pink No 1): is an exquisite mix, containing freshly squeezed zesty lemons and red berries to create a nicotine salt concoction that will elevate the senses and please the taste buds.

Strawberry Crush Ice (Crimson No 1): With every puff you take from this salt nicotine you will be able to taste the sugary sweet but sour chilled lemonade taste that your taste buds will love. *Warning: Not for sub-obj us

Tropical Pucker Punch (Blend No1): a nicotine salt blend featuring notes of citrus, pineapple, and tropical fruits in a delicious fruit punch.*

Watermelon Madness (Red No 1): is a powerful nicotine salt mixture containing the essence of luscious watermelons within a tall refreshing glass of tasty lemonade to create a solid nicotine salt vape.

Arctic Cool Mint: has your taste buds shivering from its north pole cold flavor that you will not be able to find in any other salt nicotine. From inhale to exhale you will be left shivering but running back for more Warning
